2018 - 3rd Quarter

Spotlight Member

Dunbar Mechanical Inc. joined the Safety Council of Northwest Ohio (SCNWO) in January of 1996. Since becoming members, they have attended numerous safety trainings, monthly meetings and are actively involved with the SCNWO.

Safety Director, Dan Worstein, COSS, started with the company in 2006. During his tenure, he has worked to create a safety culture which truly emphasizes that **Safety Matters and Safety is Just the Right Thing to Do!**

Dan has been pro-active in incorporating management involvement into the safety culture at Dunbar Mechanical Inc., which is critical to a successful safety program.

Through his persistence, the company recognized a need for additional safety personnel and welcomed Safety Engineer Jim Sibrel, COSS, in 2014.

Dunbar Mechanical Inc. has an exceptional safety record over many years and always strive to make a safer workplace for all. When it comes to safety, the top Five Focuses at Dunbar Mechanical Inc. Include:

- Employee Engagement and Involvement
- Encouraging Working with Professionalism in All Aspects of the Job, Especially Safety!
- Innovative Training/Safety Resources
- Pre-Planning, Advance Hazard Recognition and Communication
- Comprehensive Corrective Actions- Utilizing Enhanced Reporting, Near Misses and Root Causes
