Dunbar Mechanical Ushers in Next Generation of Family Ownership

Toledo, Ohio – For the first time in 20 years, Dunbar Mechanical, Inc. is 100% family-owned. Founded in 1936, the firm has grown from a well-drilling business into the 82nd largest mechanical construction services firm in the United States as reported by Contractor Magazine. Dunbar Mechanical is headquartered in Toledo, Ohio with services covering much of Ohio and Michigan from offices in Columbus, Cleveland and Detroit.

“As 2020 begins, I am pleased that Erik S. Dunbar, President of Dunbar Mechanical, Inc., and my son, is now also my business partner,” announced Stephen E. Dunbar, Chairman. “Although we have always been family operated, I am excited to announce that Dunbar is once again completely family owned. Erik has been intimately involved in managing the day to day operations for seven years.”

“I am truly honored to fulfill a life-long dream by becoming an owner of Dunbar,” continued Erik Dunbar, the fourth Dunbar family member to be president of the firm. “I am blessed to have such great customers and to be working with such outstanding people.”

“We appreciate Peter Corogin’s involvement with Dunbar Mechanical for the past 13 years. Peter has been a fantastic partner and we wish him the very best,” explained Stephen Dunbar.

[Dunbar Mechanical, Inc.](#) is a \$75+ million-dollar mechanical contractor and one of the 100 largest full-service mechanical contractors in the United States. Dunbar is an independent, family owned and operated firm. The 84-year young, Toledo, Ohio-based company provides quality mechanical construction and mechanical systems [service](#) throughout Ohio and Michigan.
